About

Digital Experiences with Passion

Ever since I was young, I've been fascinated by the intersection of design and technology. This curiosity led me to pursue a degree in Graphic Design.

where | honed my skills in visual communication and digital artistry. As I delved deeper into the world of design, I found my true calling in UI/UX design - the perfect blend of aesthetics and functionality.

Let's Talk ➡

Features

🥙 **UI/UX Design**

Beautiful, user-centric interfaces using Figma & Adobe XD.

🖥 **Web Development**

Responsive websites using HTML, CSS, JavaScript, React, Next.js.
